Fire Training, 1300 Thomas Street, Hampton, Va 23669

Volunteering with Hampton Fire Rescue is a worthwhile experience; it's an unselfish act of public service in our community. Signing up for Firefighter I & II and Emergency Medical training involves a considerable investment of time in classes and 'on the floor' of a station. The value of the training is several thousands of dollars; in return we ask for a commitment of 24 hours a month for two years. To succeed, you will need to release driving and other records; satisfactorily complete a physical agility test and a polygraph. We appreciate your serious consideration.

Date:	
Full Name (no nicknames please)	
Street Address	
City
